

2nd March 2016 - Kruger National Park, South Africa

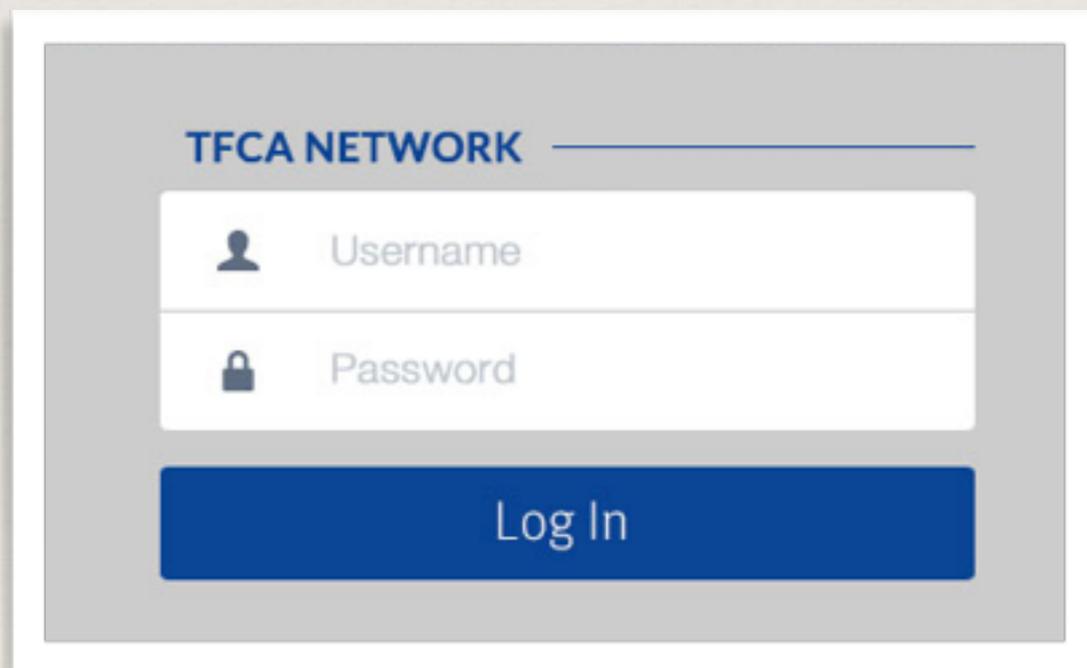

SADC TFCA Intranet Upgrades

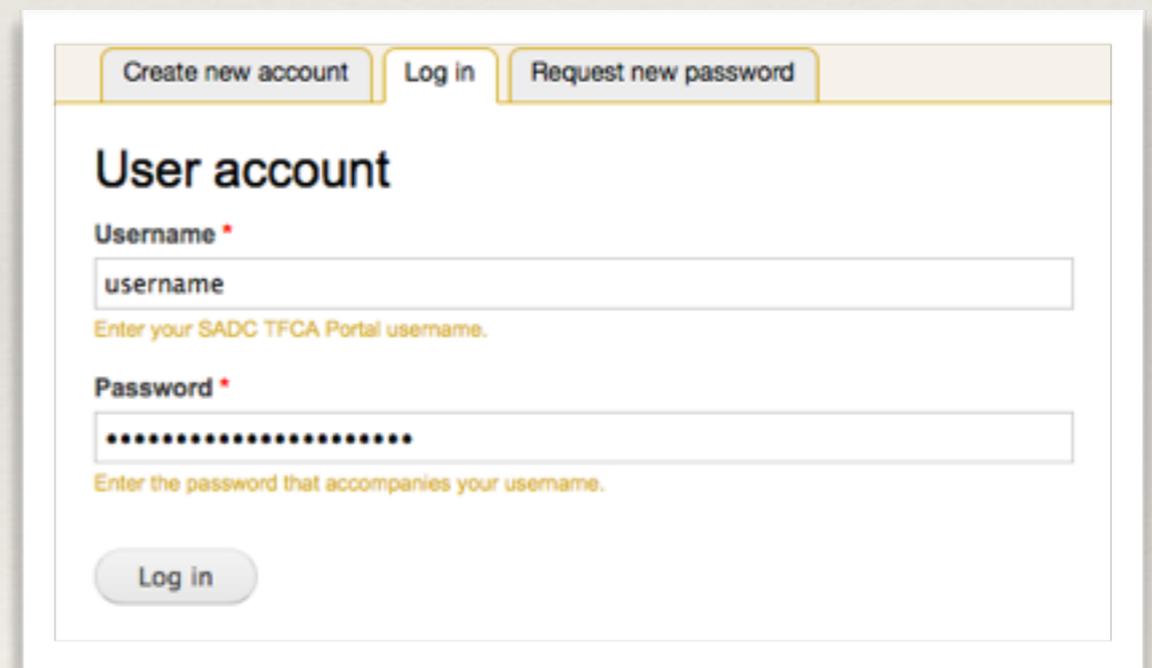

Presentation by Zoran Nikolić - MindQ

Access to the Intranet

- ❖ Login from the new Portal
- ❖ Existing login will still work

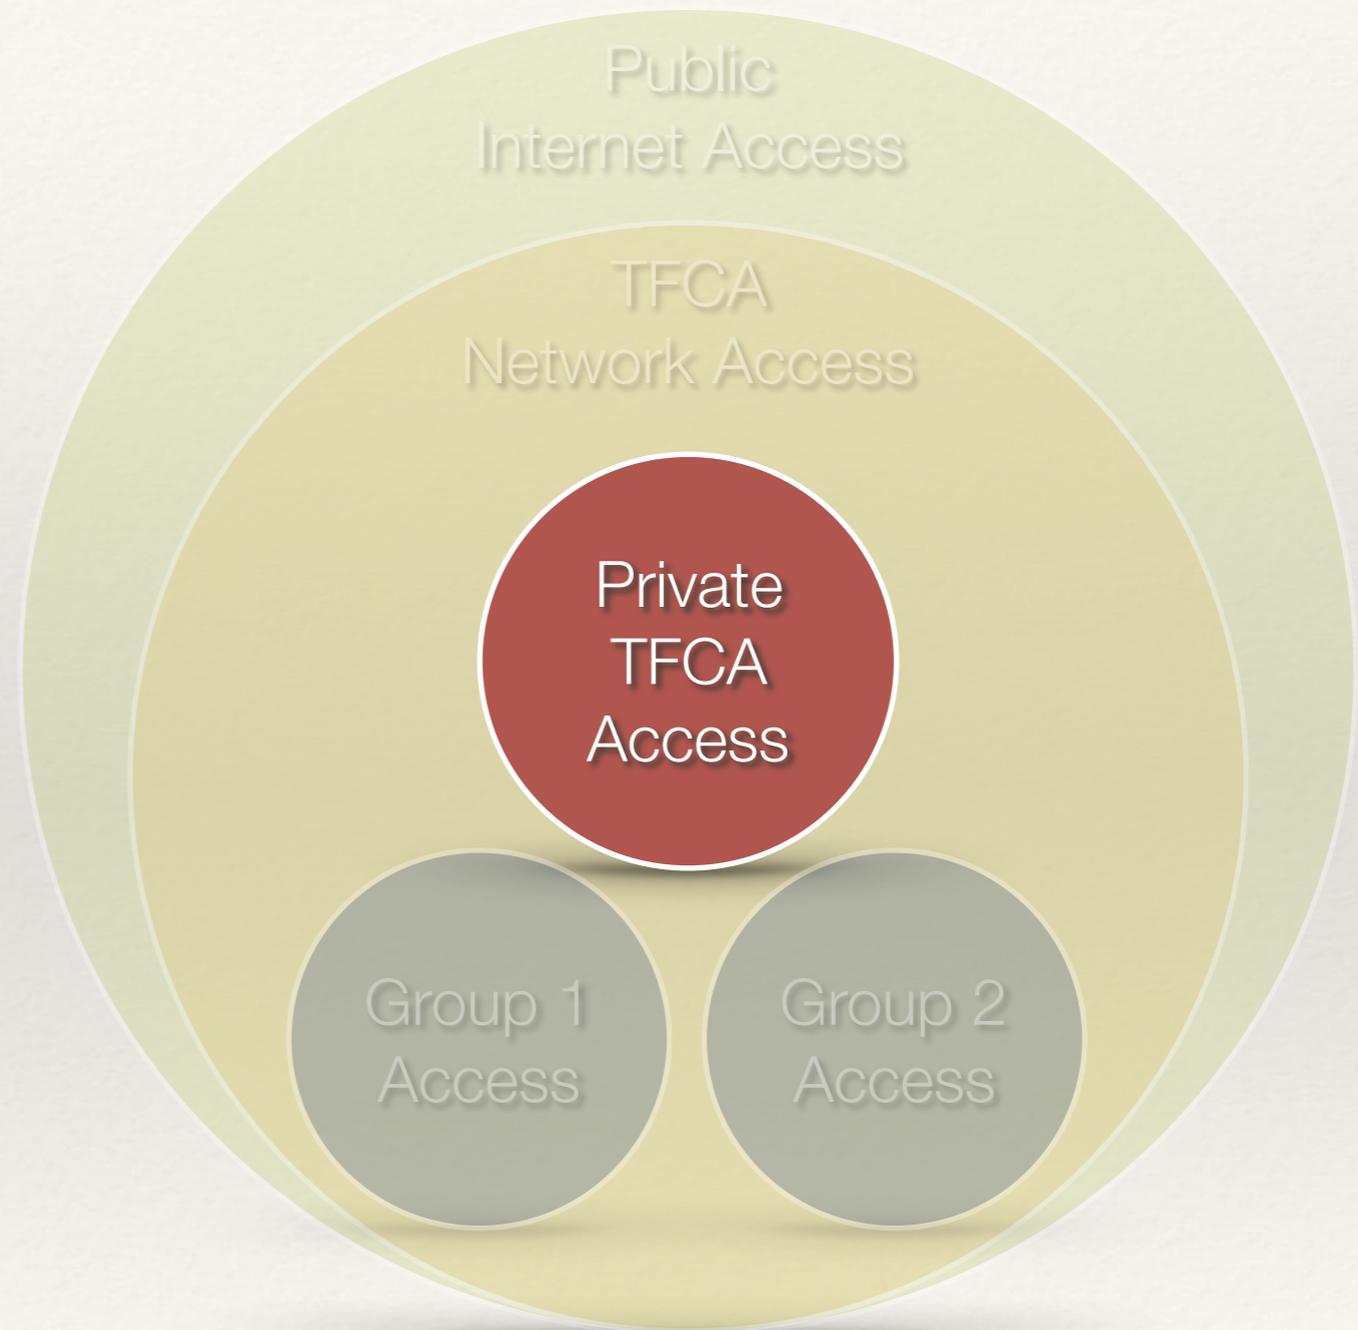

The screenshot shows a login interface for the TFCA NETWORK. It features a header with the text "TFCA NETWORK" and a horizontal line. Below the header are two input fields: "Username" with a person icon and "Password" with a lock icon. A large blue "Log In" button is positioned at the bottom of the form.

The screenshot shows a "User account" login page. At the top, there are three buttons: "Create new account", "Log in", and "Request new password". The main heading is "User account". Below this, there are two input fields: "Username *" with the text "username" and "Password *" with a masked password. Below the password field, there is a "Log in" button. The page includes instructions: "Enter your SADC TFCA Portal username." and "Enter the password that accompanies your username."
